# Las 6 Diferencias

# Datos Curiosos

En el año 1.650 la población de Potosí era superior a la de ciudades como Madrid, París o Londres. Hablamos de una población de 160.000 habitantes.

**Bolivia tiene dos capitales, La Paz y Sucre. La Paz es la capital administrativa con la sede del gobierno y Sucre es la capital como se describe en la constitución boliviana.**

## HUMOR

-¿Quién es el líder espiritual de las llamas?
-El Dalai Llama.

-¿Por qué las llamas son malas para guardar secretos?
-Porque siempre los escupen.

-¿Por qué las llamas no se aburren?
-Porque siempre tienen algo que rumiar.

-¿Cual es el deporte favorito de los bolivianos?
-La “corrida de salteñas”, o sea saltando y corriendo por una deliciosa salteña.

-¿Por qué los bolivianos no usamos reloj?
-Porque tenemos nuestra hora boliviana.

***“Hoy mi deber era cantarle a la patria, alzar la bandera, sumarme a la plaza.”***
